Message from the Headteacher

Dear Parents, Carers and Friends of Christ Church,

Aiming high

In the week when European Space Agency astronaut Major Tim Peake took a rocket to the International Space Station, it seems appropriate for us to think about “aiming high”. Who knows what amazing things the children at Christ Church could achieve in later life? Will any of them become an astronaut? Or a world champion driver like Frome’s own Jenson Button? Or an entrepreneur? An engineer? A teacher? A doctor?

Success and service

I am reminded that NASA’s motto is: “For the benefit of all.” It is our Christian hope that the successes and achievements of our children will make the world a better place for other people.

Rupert Kaye,
Headteacher
